

The Company

Façade was established in 1990 by Juliet Eve, an award-winning face and body painter, and has become one of the most successful face and body art painting companies in the country.

The Academy

Having taught face painting for over 10 years, Juliet set up the Façade Academy to offer a wide range of courses in face and body art to meet the needs of beginners and advanced level painters alike.

The Academy also provides highly experienced professional instructors who offer bespoke training at your place of work or home.

Regular Courses

The Façade Academy offers day and evening courses from its dedicated base at Bondlink in Hemel Hempstead.

The courses are structured, well planned and presented in manageable, achievable steps.

We offer regular courses including...

- Boys and Monsters
- Advanced Techniques & Design
- Bodypainting Basics
- Henna & Glitter Tattoos

We aim to create a friendly, relaxed and enjoyable atmosphere within our classes. A maximum of 8 students ensures individual attention.

Full day or evening courses start from £80.

Bespoke Training

Do you have a **group** of people wishing to learn face painting? Are you a school PTA, play-scheme, or other organisation wanting to facilitate Team Building? Façade will travel anywhere in the country, to your chosen venue, to provide a training workshop, tailored to your individual or group's needs.

Want **one-to-one** tuition? From beginners taking their first steps, to experienced painters looking to perfect their skills, we've got it covered.

Instructors

The Principal of Façade Academy, Juliet Eve, conducts the majority of the courses. An acclaimed face and body artist, Juliet has won numerous awards, most recently 1st place at the Welsh Bodypainting Festival, and 10th in the 2008 World Body Painting Festival.

Renowned guest instructors are regularly brought in to share their expertise on their specialist subject.
